

The Stations Game

- ❖ The Game requires 1 person to act as the Station Controller.
- ❖ The rest of the Players are split up into Teams. (A Maximum of 20 teams may play)

❖ **Equipment**

- 1) Station Controllers List
- 2) 20 Station Cards
- 3) Paper and Pencils for each Team

❖ **Setting Up**

- 4) Place each Station card in a separate room through out the designated play area.
- 5) Station Controller to keep the Routes list hidden from the teams

❖ **How to Play**

- 6) The Station Controller will then give to each Team a different **Start Station** from the Station Controllers Routes List.
- 7) Each team must then, find the Station Card with their **Start Station** as a Departure station.
- 8) From the Station Card, make a note of the **Destination** and the **Time**
- 9) Now find the Card with the **Destination**, you have just found, as a departure station.
- 10) Repeat the process until your **Destination** is **HOME**.
- 11) The **winner** is the first team to get **Home** with a correct list of Stations and Train Times, from their **Start Station** to **Home**.
